

REFRESH TM

REJUVENATE YOUR FITNESS EQUIPMENT

WHY

YOUR FITNESS FACILITIES ARE A DIFFERENTIATOR IN A HIGHLY COMPETITIVE MARKET WHERE CLIENTS EXPECT OR DEMAND THEM TO BE UPDATED AND WELL EQUIPPED FOR DAILY USE AS A NECESSITY RATHER THAN A LUXURY.

ADVANTAGE FITNESS PRODUCTS

introduces **REFRESH™**, a unique alternative to full scale equipment replacement brought to you exclusively by the industry's leading supply and service provider. REFRESH programs offer a sharply enhanced aesthetic and functional performance overhaul of existing fitness facility equipment. Providing your users with a facility that works well and looks great while further extending the life of your equipment prior to replacement. As your *Total Fitness Resource*, AFP has leveraged our services expertise and partnerships with major fitness industry manufacturers to bring you an alternative to what traditionally are limiting equipment care options.

PROGRAM FEATURES

- On-site no cost facility equipment assessment
- Complete mechanical check-up with wear parts replacement
- Diagnostic & calibration adjustment as per factory specification
- Commercial equipment degrease and lubrication of drive systems
- Aesthetic renewal—upholstery replacement, paint touch-up
- Equipment layout re-assessment and recommendations

Contact us today to schedule your complementary Fitness Facility **REFRESH** evaluation.
